

## YAHA Recruiting Letter 12 2015

Yakima Amateur Hockey Association (YAHA) wants you! To help grow our youth hockey programs. A new **Program Growth/Recruiting Committee** is now forming but we need more volunteers to get the committee off and running. Ideally we are looking for at least two more volunteers and one person that would like to head up the committee. If you have some ideas on how to make our programs grow and would like to help, please contact any coach or board member.

Have a happy and safe holiday season.

Dane Pierone  
YAHA President
